Reminder to Churches to send Youth Delegates

Each congregation is invited to appoint a youth delegate, in addition to their regular delegates. Youth delegates have all the responsibilities, rights and privileges of regular delegates, except holding office in elected positions. They are expected to prepare themselves in the same manner as other congregational delegates by attending any congregational delegates' meeting and reading the report packages. Youth delegates must register. Contact the office 306-249-4844 for further information.
