Mennonite Church Saskatchewan Nominations Committee Policy

1. The Nominations Committee meets initially during October to begin work on a slate of nominees for the next annual delegate assembly.
2. Duties are divided among the three committee members, with the chair taking responsibility for any Executive Decisions.
3. The chair of a commission or committee is usually contacted to see what kinds of skills are needed in a candidate and to determine if incumbents should be asked to let their names stand again.
4. Be aware of gender, age, and geographic mix on a committee.
5. Positions must be filled by persons with membership in an MC Sask Church.
6. When someone is elected to fill the unexpired portion of a predecessor's term, this portion is not considered to be their first term.
7. Once a person has agreed to let their name stand, obtain a brief Bio for the report booklet, including name, address, phone number, email address, church affiliation, church involvements, family, other interests, work/profession.
