

September 2018 UPDATE

Deepening Our Walk with Christ: Habits, Habitus & Habitation

In light of this year's theme, *Deepening our Walk with Christ*, MC Sask's 2018 **Continuing Education Course** (Oct 25 & 26) will focus on the habits that shape and form us into the kind of people who can see what God is up to and join in. Rachel Miller Jacobs (AMBS), will lead us through four sessions that will;

- examine our own lives and habits over the last year,
- re-ground ourselves in God's vision for the future,
- examine key spiritual practices for leaders,
- listen for the Holy Spirit's guidance as we step forward individually and corporately.
