

Temporary Marriage License Policy

Preamble:

From time-to-time, Menonite Church Saskatchewan receives requests by individuals for a temporary marriage license to perform a wedding in Saskatchewan. This purpose of this policy is to help determine when temporary marriage licenses should be issued.

Policy:

For requests from persons within Saskatchewan, the individual must be a member in good standing of a Menonite Church Saskatchewan congregation. The request must be accompanied by a letter of support by the pastor of his or her congregation.

For requests from persons outside Saskatchewan, the individual must be a credentialed pastor of one of our sister regional churches (MCEC, MCM, MCA, MCBC). The request must be accompanied by a letter of support by the Regional Church Minister of his or her region.
