One Thing I Ask: To Dwell with God

A Silent Lenten Prayer Retreat

*Ancient Spirals Retreat
February 29, 2020
9am – 3:30pm*

Purpose

For some, home is a place of refuge, a warm comforting stay marked by memories of safety, security and love. For others, home may be a more difficult journey: a place of loneliness, denial and pain.

We invite you to explore with us the peace that rests patiently within... the glow that is waiting to emerge... knowing we are all created with the desire to be whole. It is love that will finally lead us back to where we are meant to be, back to this special place, deep within our heart...the home in our heart, where God lives.

Come join us!
