

# 2023 MC Sask Scholarship Recipients

## **Kennedy Martens – CMU, \$500**

“Hello MC Sask Community,

My name is Kennedy. I am a student going into my 4th year at Canadian Mennonite University majoring in psychology and minoring in both biology and biblical and theological studies. It is a privilege to be able to say thank you to generous people like you who are helping to support me and my education. During my time at CMU, I have enjoyed making new friends, learning in a community-based environment, and studying in the library with a coffee from CMU’s Folio Cafe. When I am not studying, I enjoy walking through the Assiniboine Forest and chatting with friends. I am super excited to be graduating in April 2024, and I look forward to continuing my education to become an Occupational Therapist. Your gift and care for my education is special and important. Thanks again!”

“Thank you so very much for your generous financial scholarship! I am going into my first year here at Canadian Mennonite University, and I am really looking forward to what is all in store for me. I am so pumped to get to know all the fun people here and explore what it really means to be a faithful being. I am taking a variety of courses, but am specifically looking forward to my Peace and Conflict Studies class along with my English classes. I love the idea of community and can’t wait to grow alongside so many wonderful folks. Thank you for all of your support, it means a lot.”
